## Proposed change to Leduc's Land-use Bylaw Residential Standard District and General Recreation – Middleton Close

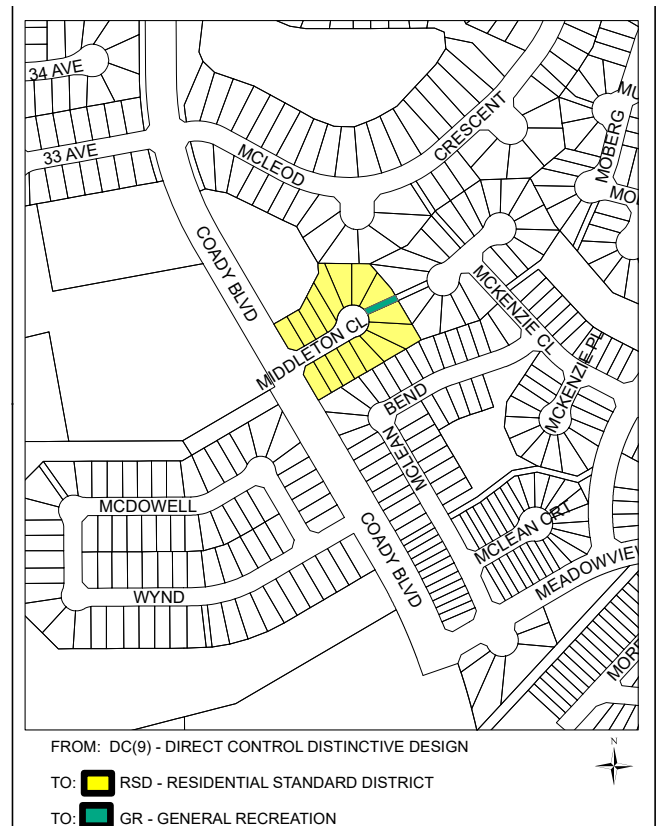

The City of Leduc is divided into land-use districts to manage the location of development and ensure good planning for the municipality. Each district, under the Land Use Bylaw, has permitted and discretionary uses as well as development regulations for those uses. To change a land use district from what is existing under the Land Use Bylaw, the proposed amendment must be published to allow citizens an opportunity to clarify what is proposed, ask questions, or present objections at a required public hearing held prior to Council approving the amendment.

### Bylaw No. 1143-2022

The purpose of proposed Bylaw No. 1143-2022 is to amend Bylaw No. 809-2013, the Land Use Bylaw of the City of Leduc, by repealing Bylaw No. 499-2001 DC(9) Direct Control Distinctive Design, and designating the affected lots (Lots 120-127 and 129-136, Block 16, Plan 0525706) within Middleton Close to RSD – Residential Standard District and Lot 128PUL, Block 16, Plan 0525706, to GR – General Recreation.

DC(9) Direct Control district was designed for a site specific purpose, providing single dwelling development with modified setbacks compared to other residential districts within the Land Use Bylaw in 2001. The modified setbacks and restrictions are no longer necessary, given the flexibility offered for development, within Bylaw No. 809-2013. The RSD – Residential Standard District is more suitable for the area.

A copy of the proposed bylaw that will be presented to Leduc City Council may be inspected by the public between 8:30 a.m. and noon, 1 to 4:30 p.m. at the City Clerk's Office, Leduc Civic Centre, 1 Alexandra Park, 46 Ave. and 48A St., Leduc, Alberta.
