## MAYOR'S SPECIAL AWARD

# Ava Brennan

Ava Brennan, recipient of a 2023 Youth Influencer Award, demonstrates what it means to be a leader and a positive role model for many in our Leduc community.

Ava has shown remarkable dedication and talent in many sports, most notably basketball. As team captain of the Christ the King Chargers, Ava led her team to a gold medal victory in the 2023-2024 season and was named Metro Athletics Athlete of the Week. Not only did Ava motivate and support her team but took time to share her passion for basketball with others, volunteering her time to coach U9 and U13 youth basketball camps.

Beyond her athletic achievements, Ava actively serves her community, participating in her parish, mentoring younger altar servers, and volunteering in various initiatives. Ava's positive attitude and behavior have made a remarkable impact on her school and the greater Leduc community.

Ava intends to continue serving her community, volunteering along with building on her leadership and basketball contributions as she heads to university this month. Ava will be pursuing a Bachelor of Science degree while playing basketball for the Northwestern Polytechnic Wolves. In the coming future, Ava aspires to become a pharmacist.

Please join us in congratulating Ava on this achievement, recognizing her volunteerism and leadership within our community.
