BACKGROUND

KEY ISSUE(S) / CONTEXT:

At the May 14, 2018 Council meeting, a Public Hearing was held under the Municipal Government Act (MGA) for the purpose of allowing interested parties to communicate their thoughts and views on the proposed bylaw. Following the Public Hearing, Council granted 2nd reading to the proposed bylaw and directed Administration to gather additional information to be presented at the June 11, 2018 Committee of the Whole. The required information related to the proposed bylaw were:

- Provide a quick overview of the Langford, BC approach; and
- Provide a table depicting what other municipalities are doing from a land use perspective in relation to cannabis legalization.

The required information was provided to Committee of the Whole (Report 2018-CoW-044) at the June 11th, 2018 meeting.

At the June 18 Committee of the Whole meeting, key reports associated with the land use component (2017-CR-131, 2017-CR-132, and 2018-CoW-044) were discussed. The main item of discussion was the 7th presentation at the Public Hearing held at the May 14 Council meeting, whereas the participant asked for a general relaxation of the rules and regulations around the cannabis retail use.

In order to address the comment made and to preserve the spirit of the proposed amendment, Administration was directed at the Committee of the Whole to look into a potential amendment to section 18.10.3.4. of the proposed bylaw that currently reads as follow:

18.10.3.4. Within the Cannabis Overlay, a Retail Store (Cannabis) or a Retail Store (Liquor) cannot be located on a Parcel of land abutting another Parcel of Land where a Retail Store (Cannabis), a Retail Store (Liquor), or a Day Care Facility exist at the time of the Development Permit application. Furthermore, a Day Care Facility cannot be located on a Parcel of land abutting another Parcel of Land where a Retail Store (Cannabis) or a Retail Store (Liquor) exist at the time of the Development Permit application.

After reviewing the potential implications of amending this section while maintaining the objective of limiting the opportunities for the clustering of the cannabis retail stores, Administration is recommending the following amendment:

18.10.3.4. Within the Cannabis Overlay, a Retail Store (Cannabis) or a Retail Store (Liquor) cannot be located on a Parcel of land abutting another Parcel of Land where a Retail Store (Cannabis), a Retail Store (Liquor), or a Day Care Facility exist at the time of the Development Permit application, unless the parcel where the land use is being proposed is 2 hectares or greater in area and the building where the land use is being proposed is more than 100 meters away from the

property boundary where the parcels are abutting. Furthermore, a Day Care Facility cannot be located on a Parcel of land abutting another Parcel of Land where a Retail Store (Cannabis) or a Retail Store (Liquor) exist at the time of the Development Permit application.

The second proposed amendment is related to mapping. Administration noticed that an error has been made in the delineation of the Cannabis Overlay. When all the Parcels of Land were selected to form the Cannabis Overlay Area, a parcel designated Residential Mobile Home (RMH) was selected by mistake. As it has never been the intention to enable cannabis related land uses in residential areas, Administration is recommending that the parcel in question be removed from the Cannabis Overlay Area as part of the proposed amendment.

Administration is also recommending to change the date at which the bylaw will come into effect to July 18th at 8:30 am. Considering that the legalization date is now known (October 17, 2018), and acknowledging that interested parties will require a certain amount of time to prepare themselves prior to the legalization date, this period of time would be utilized to refine the process and build tools that will facilitate the application process for the applicants and Administration.

LEGISLATION AND/OR POLICY:

1. Municipal Government Act, RSA 2000, Chapter M-26, as amended
 - S. 640(2)(a) requires a municipality be divided into land use districts.
 - S. 606 and S. 692 govern the requirements for advertising a bylaw.

PAST COUNCIL CONSIDERATION:

The upcoming legalization of cannabis has been previously discussed at various Committee of the Whole and Council meetings (June 26th and December 4th, 2017; March 12th, March 19th, 2018, June 11th, 2018, and June 18th, 2018). Bylaw 970-2017 received 1st reading on Monday, April 23rd, 2018. The Public Hearing was held on May 14th, 2018 in accordance with the MGA, and 2nd reading was granted on Monday, May 28th, 2018.

CITY OF LEDUC PLANS:

Bylaw 970-2017 is consistent with the City's Municipal Development Plan, as amended.

IMPLICATIONS OF RECOMMENDATION

ORGANIZATIONAL:

Should Council agree with the recommendation, Administration will coordinate to ensure there is efficient communication with the community and the interested parties.

POLICY:

No policy changes are required.

LEGAL:

If the recommendation is accepted, the planning framework will be created to manage cannabis related land uses. This would include the creation of the Cannabis Overlay and the addition of Cannabis Production and Distribution, Cannabis Counselling, and Retail Store (Cannabis) as discretionary uses within the Cannabis Overlay, as well as the regulations in terms of location and separating distance. With the passing of Bylaw, interested parties will be able to submit their application to the City of Leduc for the various cannabis related land uses.

IMPLEMENTATION / COMMUNICATIONS:

Pending Council's decision, Administration will communicate the outcome using various platforms.

ALTERNATIVES:

1. That Council defeats Bylaw 970-2017.

ATTACHMENTS:

1. Bylaw 970-2017 as given second reading
2. Bylaw 970-2017 if amended for third reading
